

Baggage Calculator - NFC

- [Cabin Class Changes](#)
- [Hand Baggage Only Config](#)
- [Configuration Utility Changes](#)

Cabin Class Changes

- Navigate to [sites.html/siteadmin](#)
- Traverse to the below mentioned path and click on 'Baggage Allowance Component' Parsys.

</content/eag/etihadairways/etihadcom/global/en/fly-etihad/baggage.html>

- Under 'Cabin Class Data' tab update the below Class Value.

Class Label	Old Class Value	New Class Value
Economy Sale	YB	YS
Economy Value	YS	YV
Economy Choice	YV	YC
Economy Choice Plus	YF	YF
Business Value	JB	JV
Business Choice	JS	JC
Business Choice Plus	JF	JF
First	FI	FF
The Residence	TR	TR

- Once the above values are updated, add the below new classes.

Class Label	Class Value
Economy Hand Baggage Only	YH
GuestSeat Economy	YR
GuestSeat Business	JR
GuestSeat First	FR

- Add 'Economy Hand Baggage Only' below Economy Sale.
- Add Economy Guest, Business Guest and First Guest above Economy Sale, Business Value and First.
- Add the corresponding Icon Path and Enabled Routes for Classes for the newly added Classes.
- Remove 'The Residence' Class Label from the list.

Hand Baggage Only Config

Open the Hand Baggage Only config Tab and author the fields.

- Display hand baggage only fare information message : Select the checkbox to display the message
- Hand baggage only fare information message : Provide the message to displayed (*Hand baggage fares are available on selected routes only.*)

Save the configuration rollout and publish the page.

Configuration Utility Changes

- Traverse to the corresponding configuration utility page for each languages.

Eg: <content/eag/etihadairways/etihadcom/configurations/configuration-utility.html>
